Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner proposed an amendment to put application into condition for allowance. This proposal was made after an updated search was made by the examiner in response to the amendment of 3/29/04. The examiner is of the opinion that the art cited of record could be combined with other art to reject the claims as presented 3/29/04. Thus the examiner proposed changes to the claims to put them into condition for allowance. Mr. Wooldridge authorized the examiner to make these changes by examiner's amendment..
